

REMARKS

Claims 1 and 3-11 remain in the application. Claim 2 has been cancelled. Claims 1 and 3 have been amended. Claim 1 is in independent form.

The specification has been amended to clarify terminology set forth originally in the application as filed. Applicants attest that no new matter has been added thereto.

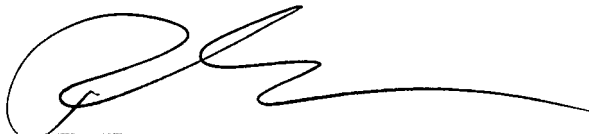

Claim 1 stands rejected under 35 USC 102(b) as being anticipated by Leuchtman. However, claims 2-11 are indicated as being allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

In response, Applicant has amended independent claim 1 to include all of the limitations of allowable claim 2. Claim 2 has been cancelled. Applicant has also amended claim 3 to properly depend from amended claim 1.

Therefore, it is respectfully submitted that this patent application is in condition for allowance, which allowance is respectfully solicited. If the Examiner has any questions regarding this amendment or the patent application, the Examiner is invited to contact the undersigned.

The Commissioner is hereby authorized to charge any additional fee associated with this Communication to Deposit Account No. 50-1759. A duplicate of this form is attached.

Respectfully submitted,
